

Birchcliff is a public, intermediate oil and natural gas exploration, development and production company with a proven track record of growth in the Peace River Arch of Alberta. Birchcliff has two significant resource plays, one natural gas (Montney/Doig), and one light oil (Worsley Charlie Lake), together with a large undeveloped land base surrounding these opportunities. Birchcliff has successfully completed \$500 million of property acquisitions in the last three years and is continually attempting to improve its portfolio of opportunities. We have a well defined plan to significantly grow our company in the future. Our success is directly attributed to the contribution of every member of our team working together to increase shareholder value.

Birchcliff trades on the Toronto Stock Exchange under the symbol "BIR".

Birchcliff is currently seeking to fill the following position:

Job Title: Senior Surface Landman

Reports to: Surface Land Manager

Location: Calgary, Alberta (Field trips as required)

Summary of Position:

This full time permanent position requires working knowledge of all aspects of surface land and its links with other departments. The successful candidate must be efficient in the following:

- The timely and accurate acquisition of surface dispositions, coordinating the efforts of surveyors and land agents
- Representing the company and interacting extensively with internal departments, public and regulatory stakeholders
- Fostering and maintaining relationships with all stakeholders in the areas we operate
- Investigate and recommend fair compensation for new acquisitions and rental reviews
- Work with property teams on ongoing day to day activities and help develop future strategic development and exploration plays
- Interact with Land Administration & Accounting to ensure data quality
- Effective and timely in house communication
- Additional duties as required

Required Education/ Experience/Abilities:

- 5 - 8 years experience, preference will be given to those with field and in-house experience
- Must have a Permanent Alberta Land Agent's License
- Post - secondary education or an equivalent combination of education and experience along with proven negotiation skills
- Possess comprehensive knowledge and understanding of first nation consultation , surface rights and applicable legislation
- Ability to self start, manage and prioritize workloads, as well as work effectively as a team member
- Critical thinking skills/ability to assess importance
- Attention to detail
- Conducts business diplomacy while maintaining good judgment
- Above average computer skills, including experience with Accumap software
- Excellent organizational and communication skills
